Coated Papers/CAD/GIS

Blue prints, maps, schedules and sketches are ideally rendered with Canon large format printers. These media are ideal for engineers and architects as well as CAD and GIS applications. For everyday use and draft printing, imagePROGRAF has a wide variety of durable, inexpensive coated paper.

With imagePROGRAF media, you can count on consistently superb image quality and product performance. imagePROGRAF media goes through rigorous testing to ensure compatibility with Canon Large Format Printers in order to provide the best image quality.

THE RIGHT MEDIA FOR THE JOB

Whether you're drafting designs or producing point-of-purchase displays, signage, fine art and photo reproductions, imagePROGRAF has the right large-format media to satisfy virtually every market.
